You may return with in that year and take back your full priority. However, with in that time, if you contract with another handler for services upon return priority will be added to the bottom of the dates listed for all other clients. Please be aware if I am hired to campaign a special and you have been with me longer but show part time, the campaigned dog will have priority unless you wish to become a full time Special. I can make arrangements for your dog to be shown by one of my assistants at designated shows.
