Bealeton VA 22712

This contract establishes an agreement between Brittany Cipriotti (handler) and _____ (owner) exclusively, for the purpose of participating in AKC/CKC (American Kennel Club/Canadian Kennel Club) dog shows. The terms of this contract will remain legally binding throughout the duration that the aforementioned dog is under the handler's care. By entering into this contract, both the handler and the owner agree to abide by its terms and conditions, ensuring a mutually beneficial and professional working relationship.

Brittany Cipriotti will personally handle your dog in shows, unless there is a ring conflict, in which case her assistant or another qualified handler chosen by Brittany will take over the dog's showing duties. Clients who cancel a booking after entries have closed for a specific show will be held responsible for the full handling fee associated with that show.

It is understood that all invoices must be settled promptly upon receipt, unless alternative payment arrangements have been agreed upon. In the event that your dog becomes ill or sustains an injury while in the care of the handler, the client will be promptly notified, and immediate veterinary attention will be sought if deemed necessary. Any charges incurred as a result will be the sole responsibility of the owner. The owner will be contacted to make appropriate payment arrangements directly with the veterinary service.

Priority for your dog- Priority begins the first time I bring your dog into the ring as a professional handler representing you under contract. All specials have priority over class dogs. I will provide services for you as a handler under this contract at each show. I should be notified in writing that you will not be needing services if you would like to use another's handling service. If your puppy/dog just isn't ready for the ring and you need to take time off, you have up to 1 year to retain my services at the stated contract. You may return within that year and take back your full priority. However, within that time, if you contract with another handler for services upon return priority will be added to the bottom of the dates listed for all other clients. Please be aware if I am hired to campaign a special and you have been with me longer but show part time, the full-time campaigned dog will have priority unless you wish to become a full-time Special. I can

make arrangements for your dog to be shown by one of my assistants at designated shows.

Brittany Cipriotti and her assistants cannot be held liable for any damages that may occur as a direct result of boarding, handling, or transporting client dogs. This includes, but is not limited to, losses due to fire, theft, escape, death, or injury to individuals or other dogs. I have Liability insurance through Kennel Pro Insurance and have coverage for my staff, vehicle, show facility and client dogs with extensions to cover every state we travel.

It is the owner's sole responsibility to ensure that their dog is in good health and up to date on all necessary vaccinations, including the optional heartworm prevention. For dogs being shown in the USA, a current rabies certificate is required. The rabies vaccination must have been administered at least 30 days prior to the show and not exceed 36 months from the date of administration.

Charges for services will be in accordance with the rate card attached herewith. If the owner desires photos, it is necessary to inform the handler in advance of the specific timing. In the absence of such specification, the handler will not wait for pictures.

This contract is being signed on the _____ day of _____ 20__ and is legally binding in the State of Virginia. It is a mutual agreement between the aforementioned parties and does not involve any other individuals or entities. Any legal disputes arising from this contract will be resolved in the courts of Fauquier County, Virginia. Any modifications or amendments to this agreement must be made in writing. No other promises, conditions, or provisions are implied unless explicitly attached to this contract. In the event of arbitration, it will be conducted in Fauquier County, Virginia.
